

## **Compassionate medical clinic for women and men experiencing unplanned pregnancy**

### **Mission**

Spero Center offers practical support to those dealing with unplanned pregnancy, sexual decisions, and after-abortion trauma.

### **Vision**

That Spero will:

1. Educate individuals about sexual decisions and their consequences.
2. Be the source for all expectant mothers in the community in making their decision regarding their unplanned pregnancy.
3. Strengthen families which will strengthen communities.
4. Significantly decrease the abortion rate in the community
5. Offer After Abortion Healing Support
